Experience

Retail Manager, GoodNews Amsterdam **Aug 2025 - Present**

Led store operations and team performance in a fast-paced environment, improving sales outcomes and reducing absenteeism through data-driven strategies, staff development, and process optimization. Strengthened operational efficiency and team engagement during a period of leadership transition.

- **Reduced weekly absenteeism by 33%** by implementing targeted team engagement and motivation strategies.
- Increased store performance by analyzing sales, loyalty metrics, and external factors, and proposing data-driven improvements to management.
- Generated **104+ new Google reviews per week** and **64+ new loyalty sign-ups per week** through customer engagement and in-store activation strategies.
- Improved operational efficiency by restructuring **task allocation between logistics and POS roles**, reducing workflow bottlenecks.
- Designed and delivered **product training programs** to increase staff engagement and drive sales performance.
- Led **recruitment, onboarding, and training processes**, and improved team performance.

University Assistant, Conservatorium van Amsterdam **Sep 2024- Aug 2025**

Redesigned the connection between music theory and performance, improving student engagement and reducing burnout through tailored, student-centered teaching approaches.

- Achieved 0% absenteeism among at-risk students by implementing personalized learning structures and flexible scheduling
- Improved student engagement by simplifying complex theoretical concepts and aligning them with practical application
- Delivered specialized support for students with ADHD, anxiety, depression, and anhedonia, increasing retention and participation

Experience continued

Music Teacher, International School of Gifted Minds

Jun 2024 - Aug 2024

Delivered IB-aligned music education to neurodivergent students, adapting teaching methods to support engagement and inclusive learning.

- Designed individualized learning approaches for students with autism and other neurodivergent profiles, improving participation and classroom engagement
- Applied IB curriculum standards (K1–G5) while maintaining structured, supportive learning environments

Events Director, Totem Consulting

Aug 2020 - May 2022

Led the development of the classical music division within a startup, driving artist acquisition, recording initiatives, and live event strategy while building partnerships with leading cultural institutions.

- Secured and managed collaborations with major cultural partners, including the Paul Constantinescu Philharmonic (top 10 nationally), expanding visibility and performance opportunities.
- Increased artist exposure by organizing recordings and live concerts across the city, supporting the launch and promotion of emerging musicians and ensembles.
